

# Openly's Managed Repair Program

Restoring your home and peace of mind

When disaster strikes, the last thing you need is the added stress of finding reliable contractors and managing repairs. Openly's Managed Repair Program (MRP) connects you directly with a network of pre-vetted, certified professionals who handle the entire repair process—from start to finish.

Services include:

- Water mitigation
- Property restoration
- Textiles restoration
- Contents repair & restoration
- Electronics repair
- Tree removal

## WHY CHOOSE THE MANAGED REPAIR PROGRAM?

### Faster claims resolution

Our network of **qualified repair professionals** will restore your home to pre-loss condition, helping you to move forward and close your claim quickly.

### Higher customer satisfaction

Our program boasts a **25% higher net promoter score** on claims when an Openly MRP partner is used to remediate damage.<sup>2</sup>

### 5-year warranty

Our certified, licensed, and insured MRP partners deliver high-quality workmanship, with most offering **warranties of up to 5 years on repairs.**<sup>1</sup>

### Stress-free process

No hunting for contractors, no vetting process—**Openly's network handles it all.**
