

Hassle-Free Home Repairs

A better claims experience for your clients

Openly's Managed Repair Program (MRP) takes the hassle out of home restoration after a covered loss, giving your clients fast, reliable access to a network of top-tier, vetted professionals. From emergency services to full-scale repairs, the program is designed to streamline the claims process and help you deliver a smoother, more satisfying experience for clients.

Expert solutions include:

- Water mitigation
- Contents repair & restoration
- Property restoration
- Electronics repair
- Textiles restoration
- Tree removal

THE MANAGED REPAIR PROGRAM ADVANTAGE:

Reduced claims costs

On average, Openly's Managed Repair Program **reduces water mitigation claim settlements by 31%**¹, helping to drive down agency loss ratio and increase profit share.

Faster claim resolution

Our network of **pre-vetted, qualified repair professionals** gets homes back to pre-loss condition quickly, minimizing client disruption and speeding up the claims process.

Peace of mind with expertise

Our **certified, licensed, and insured MRP partners** deliver top-quality work, with most offering **warranties of up to 5 years on repairs**.² You can feel confident your clients are in good hands.

Higher customer satisfaction

Our program boasts a **25% higher NPS** when clients use Openly repair partners.³ This translates to happier clients and stronger retention rates for your agency.
